A man with short brown hair and a light beard is standing on a construction site. He is wearing a black, high-visibility waterproof jacket with orange accents on the zippers and cuffs. He is holding a yellow and black JCB power tool in his left hand. In the background, there is a brick wall, a metal ladder, and some green safety netting. A yellow box with the word 'NEW' in black text is in the top right corner.

In every corner of the world you'll find a JCB machine. JCB is one of the world's top three manufacturers of construction equipment. We employ around 12,000 people on four continents and sell our products in 150 countries through 2,000 dealer depot locations.

Throughout our history, we have always invested heavily in research and development, keeping JCB at the cutting edge of innovation. Today, JCB has some of the finest engineering facilities across the globe, produces a range of over 300 machines and maintains a reputation for unrivalled customer service. JCB, a truly world-class and still family owned company.
